

About New Zealand Marine and Composites Industry Training Organisation:

New Zealand Marine and Composites Industry Training Organisation (NZMAC ITO) is dedicated to providing leadership in the development of skills and training excellence to the marine and composites industries.

We're responsible for managing the training of all marine and composite industry apprentices. We support and provide training solutions, assessment and mentoring services to the apprentice and the employer throughout the term of an apprenticeship.

Graduates of the NZMAC ITO Qualifications are recognised as fully qualified trades-people by the New Zealand Marine Industry, the Composites Association of New Zealand (CANZ) and the New Zealand Qualifications Authority (NZQA). In addition, thanks to the professional reputation of the New Zealand marine and composites industries internationally and to the high standards of training, NZMAC ITO graduates are highly regarded and sought after in the industry.
